Vol. 41 No. 5

### INFORMATION FOR GENERAL ELECTION

Pro-Life citizens have a fine opportunity to elect pro-life candidates on **Tuesday, November 5**. This year's election is the one least likely to bring 100% of voters to the polls. It's time for a bloc with a "special interest" to vote for the men and women they know and trust. Pro-Life is the **BEST BLOC OF ALL!**

The LIFE PAC flyer is on page 6 of this issue. You can take copies of the flyer to your family, friends and neighbors. **YOU CAN MAKE A DIFFERENCE.** For more information on the candidates, call Mary Lou 412-793-0807.

### SEPTEMBER 25 = 40 DAYS FOR LIFE

*"If I can do it, you can do it!"* Join us for our super-duper Kick-Off Event. Wednesday, September 25, at 7 pm at the Susan Zubik Welcome Center, 212 Ninth Street, downtown. Our speaker will be SHAWN CARNEY, co-founder of 40 Days for Life, will update and encourage us. INTENT

<[www.intentworship.com](http://www.intentworship.com)> will provide the musical inspiration. Everyone is welcome.

You may call Nikki Bruni, 412-926-9413 or go to [www.40DaysforLifePittsburgh.com](http://www.40DaysforLifePittsburgh.com).

### Steeler Tickets

In the past several years generous supporters of PCUC, M/M Bob Cranmer, have donated two of their Steeler Tickets to be raffled at the **Celebrate Life Event**. We are so happy to announce the date of the game this year is Sunday, December 29, 2013. It is Steelers vs. Cleveland Browns. These are excellent seats valued at \$208. each. Raffle tickets are \$5.00 each or 5 for \$20.00 and can be purchased at PCUC. [www.pcuc.org](http://www.pcuc.org) 412-531-9272

**Your ad means so much in helping us meet our monthly expenses (page 6)**

### JACK AMES LUNCHEON SPEAKER

**RELENTLESS!** He'll go anywhere to DEFEND LIFE! His bi-monthly magazine (Defend Life) promotes pro-life events around the country. Whether he's on the street, on the radio or TV, behind a microphone or whispering "Choose Life!" to a young woman feeling frightened and alone, he gives his all to help save the babies.

On Sunday, October 20, from 11 am – 2 pm, this pro-life hero will meet our pro-life family in Pittsburgh. We can welcome our brother from Baltimore. Let's fill the room and show him how the oldest pro-life group in Pennsylvania can **"CELEBRATE LIFE!"** See page 5 for your reservation form. Invite family, friends, even someone who is "on the fence" on LIFE issues. You will have a good time, and you'll go home energized and eager to do even more to defend God's children. <http://www.defendlife.org/>

### LIFE CHAIN CROSSES AMERICA

Thousands of cars passed these hardy, jolly folks as they kept vigil on a cool, rainy afternoon with the pro-life message. This year, Sunday, October 6, is our date to quietly pray and tell the truth about abortion. Call Mary Catherine Scanlon, 412-781-6550 or the PCUC office, 412-531-9272 for the location of YOUR **LIFE CHAIN**. It's an hour when you can save a LIFE.

## ABORTION: A WOMAN'S RIGHT TO KNOW DVD 26 minutes – Pearson Institute, Inc.

*Reviewed by: Al & Sally Brunn*

In 27 minutes the DVD lists problems during or after abortion with statistics, problems that occur later after abortion. We see graphic pictures of first and second trimester abortions and hear explanations of how they are performed.

The narrator explains RU-486 abortion and how scar tissue can cause future miscarriages and/or tubal pregnancy.

We see an interview of a woman who had to have a breast and ovary removed because of cancer after abortion. We also hear from several people who are very knowledgeable concerning breast cancer's link to abortion. There is a brief Q&A segment. The Pearson Institute covers a lot that young people need to know but are not being told.

Sally & Al are the most faithful "team" of those who stand outside Planned Parenthood on Liberty Avenue, downtown, in all seasons, all weather. They always welcome anyone who wants to stop and talk or pray. If you would like to spend some time with this team, call 412-781-6836

## BANGLADESH STUDY: 20-FOLD BC RISK

The Coalition on Abortion/Breast Cancer reported in August on a Bangladesh study published in the Journal of Dhaka Medical College. The authors found a statistically significant 20.62-fold increased risk among women with abortion histories – by far the highest risk elevation reported among 73 published abortion-breast cancer studies. Professor Joel Brind (City U. of NY) explained: "Almost all the women are married (97% currently married; the rest widowed) and with child by the time they are 20, and all of the children are breastfed. Ninety percent had their first child at age 21 or younger (99% of controls did). They typically take no contraceptive steroids nor have any abortions. Nulliparity (childlessness) or abortion before first term pregnancy (both of which mean no breastfeeding) in a population where breast cancer is almost unheard of, makes the risk very high. To read the entire article and further information, go to [www.abortionbreastcancer.com](http://www.abortionbreastcancer.com).

## PRAY FOR PITTSBURGH ABORTIONISTS

Each time an abortionist enters his killing factory, pro-lifers on the sidewalks pray for him/her, either aloud or in silence. Sometimes the abortionist responds. We hope that all of our pro-life family will keep these men/women in mind. This month we ask you to pray for **Morris Turner, medical director of Allegheny Reproductive Health (sic) Center in East Liberty.**

## SWISS RIGHT-TO-DIE LAW

**Ooops!** Problems with diagnoses have been evident in the Swiss assisted-suicide trade lately. One case was especially tragic. It involved Pietro D'Amico, a 62 year old magistrate from Italy, who, after receiving a terminal diagnosis, traveled to Switzerland to end his life before his condition progressed. But when an autopsy was performed, they found that the father-of-one had been given the wrong diagnosis by his Italian doctor and a Swiss doctor. In fact, **he was not suffering from any life-threatening condition at the time of his death.**

## THANK YOU TO ST. PIUS X

**St. Pius X is not only PCUC's landlord; their parish family are our friends; they cut the grass, plant the flowers; shovel the snow and provide our parking lot. Recently their staff built new steps for the back porch to make it easier for our staff and volunteers who struggle with steps.**

**The wonderful parishioners at St. Pius have held lovely baby showers for the mothers we serve. They donated furnishings for new babies who otherwise might be sleeping on floors or in drawers. We are blessed to be in this place.**

## WHAT IF YOU ONLY HAD FIVE SECONDS?

That's about as long as we have to glance at a billboard along the highway. But maybe it's just what a young woman contemplating abortion needs to see that there is hope and help.

You have probably seen the blue-eyed lady in many areas of southwestern PA. You can say, "That's one of OUR billboards," and you will know you put it there if you send a donation of any size to the PA Foundation for Life and write "billboards" on the memo line.

Your thoughtful gift WILL make a difference. Thank you.

## ABORTED BABIES' TISSUE = PROFIT

Pro-life legal group, Alliance Defending Freedom is working to stop the use of tissue from aborted babies from being illegally used in cosmetics

in Hungary. ADF Senior Legal Counsel Daniel Lipsic will participate in a hearing in Hungarian General Court in a criminal case involving harvesting of embryonic stem cells and tissue from aborted babies and using them for profit in cosmetic procedures.

In 2009, nine people were arrested for using cells and tissues from aborted babies for commercial gain. At a Kaposvár, hundreds of patients agreed to be injected with cells and tissues for \$25,000 per treatment.

We will follow this case with ADF.

## YOUR VERY OWN ADVERTISING

Did you know that the "faces" of children on the PA Choose Life plate are the same faces on Choose Life plates from other states? The only things that change are the colors of the plates and the layout of numbers and letters. Like the billboards we mention in the first column of this page, a Choose Life plate is a reminder that people care about the welfare of mothers and babies.

Call the PCUC office if you would like an application for the Choose Life plate. Total cost is \$44. The first \$24 is the fee that goes to the PA Department of Transportation. The other \$20 goes to pregnancy care centers in OUR area of PA.

## OR IN YOUR FRONT YARD...

The team of two who tote the yard signs, and order new billboard sites are Bob and Joan Newman.

Bob's face is most familiar to local police because he is always part of the Face the Truth campaign and he keeps vigil on the sidewalk in front of Pittsburgh's Planned Parenthood several days a week. He is also at PP in Bridgeville and at local high schools and UPMC-Magee Hospital several times throughout the year. Please thank them when you see them and please keep them in your prayers.

Hi! My name is Sammy and I am inviting you to join - - The **SAveMyMomMY Project**

*Actual photo of Riley Burrelli  
Standing in for Sammy*

by: **Claudia Berthold, President**

I represent thousands of my unborn baby friends who are in danger of abortion and I need your help. In an instant their hearts will **stop beating** and their mom's hearts will **start breaking**. They all want to feel their mommy's arms around them but they need help because their mom's are sad, scared or hurting. In October, 2014 we will sponsor an **Education Day** to elevate public awareness of abortion; challenge people to get involved; increase our effectiveness and strengthen our ministry to produce life-changing results. **To all you generous hearts who have already contributed to the SAMMY Project: THANK YOU! For those who still can contribute please do as soon as possible so we can reach our goal of \$40,000. For more information and to contribute <http://www.pcuc.org/sammy-project/>**
