Pro-Life Rally

State Capitol, Main Rotunda

11:00 AM, Tuesday, June 7, 2016

STOP LATE-TERM ABORTIONS IN PA

H.B. 1948

This Rally urges the Pa. General Assembly to pass H.B.1948. This legislation extends Pa.'s ban on abortions from six months to five months gestation and bans abortions by dismemberment with the same exceptions as Pa.'s current Abortion Control Act.

Featured Speaker: Monique Ruberu, M.D.

Monique Ruberu, from Southeast Pa., is the leading pro-life obstetrician/gynecologist in Pa. On sidewalks, on the phone and in her office, she counsels many expectant mothers against abortions. She provides chemical abortion reversals. She also offers pro-life treatments for infertility and whole women health services.

Support our Pro-Life Legislators

Rep. Kathy Rapp and Sen. Michele Brooks are leading the efforts to pass this life-saving legislation. Let's hear their messages and demonstrate our support for their leadership and courage!

Renew Our Prior Successes

Rep. Steve Freind served in the Pa. House from 1976-1992. Under his outstanding leadership, Pa. compiled the most pro-life record of any State Legislature in the nation. Steve will also speak at this Rally and provide his insights into how to re-establish this record.

Planned Parenthood Leads the Opposition

On April 11, 2016, Cecile Richards, the National President of Planned Parenthood, visited our State Capitol and argued that late-term abortions are a necessary and proper medical "treatment" for mothers with children diagnosed with disabilities or fatal pre-natal diagnoses. Hear the truth from Dr. Ruberu and individual parents and their children about these situations. Let us stop the deadly brutality of late-term abortion to children and its vast harms to women.

Requested Actions

On April 11, 2016, the leaders of the Pa. House abruptly stopped action on H.B.1948. Please contact Speaker Mike Turzai (717-772-9943; mturzai@pahousegop.com) and Majority Leader Dave Reed (717-705-7173; dreed@pahousegop.com) and urge them to hold a Final Passage vote on H.B.1948 as soon as possible.

Also, contact your Pa. House Member and urge him or her to support this legislation.

Finally, attend our June 7, 2016 Rally in the Pa. Capitol Rotunda from 11:00 AM-12:00 noon. You will receive information and encouragement to visit your State Representative and Senator and urge them to support H.B.1948.
