### **LIFE CHAIN – SUNDAY OCTOBER 7**

See p. 4 for list of local Life Chains. Join your neighbors for an hour of silent, peaceful prayer along local streets and roads as part of a national effort to bring attention to the sanctity of human life. Call PCUC 412-531-9272 for signs or if you'd like to have a chain in your town.

### MEET NICK ADAMS

“Shouldn't a woman's womb be the safest place on earth? Americans must understand the fundamental right to life is their only unlimited right, ultimate and trumping in its nature. When this right is absent, so is liberty. Without life there can be no future life; without the right to pursue life,

the famous United States Constitution is worthless.

“The American people must conduct the deepest searches of their national and personal conscience, realizing the inescapable fact that abortion is antithetical to their nation in that it denies the dreams of the unborn. Americans must conceive the truth; their destiny cannot be fulfilled until they give voice to those who could not, cannot, and will not be able to vote or speak unless they are allowed to live. Innocent life must be cherished. Without it, innocence is lost in all respects. It's time to end the war on life.” *Source: The American Boomerang*

## WHERE IS FR. ANGELUS?

We know he has gone to sing with the angels and saints, but while he was with us, he visited this site and admired this fine monument.

If you know this location, please call the PCUC office, 412-531-9272 and tell us so that we can tell the dear friend of Fr. Angelus who is waiting to hear from us. Thanks!

## SIGN OF LIFE NEAR A PLACE OF DEATH

We are blessed to have a pro-life family who take advantage of every opportunity to save innocent life. From a suggestion to design to purchase of parts and OK at the site, this project took one week. Thanks to Bob, Greg and Steve, we have a new offer to help a mother who might be pressured to abort her baby. Call the office if you want to help with the cost of materials. You can make it YOUR sign.

## THANKS FOR COMING DOWNTOWN

Thank you to all who came to the Rally for Life and to promote support for confirmation of Judge Eric Kavanaugh as the next Justice of the U. S. Supreme Court. Special thanks to Selene Ceranosky, pro-life leader at Robert Morris University (above with Carolyn and Jeanie).

## UNITED WAY SUPPORTS PP

Despite an expose' in recent years that the Planned Parenthood business sells the body parts of aborted babies, and despite the fact that PP is the nation's biggest abortion company, a new report indicates that United Way affiliates fund it with millions of donations.

Late in August, 2<sup>nd</sup>Vote, the conservative watchdog for corporate activism, released its annual findings on United Way's financial support for PP. The report tracks 1200 United Way affiliates.

Analysis of the most recent IRS Form 990 filings and other documentation found 62 UW affiliates sent \$2,756,799.00 to PP abortion organizations in tax year 2016.

2<sup>nd</sup> Vote Executive Director Robert Kuykendall said, "Our research...gives conservatives and pro-life activists a resource to make sure their charitable donations won't be used to support PP's abortion business. If PP says an abortion can cost up to \$950.00, that means UW dollars...paid for...at least 2901 PP abortions over the course of a single year. *LifeNews* 8-18

## MORAL SHINGLES VACCINE

Glaxo SmithKline has produced a long-awaited, morally produced shingles vaccine, and the product has received FDA approval for licensing in the U.S. Call PCUC for more information on this good news.

## SCHOLAR, LEADER, PATRIOT

Dr. John (Jack) Walsh took the pro-life message to his community, his parish and to California U. of PA where he taught for 37 years. He served in the U.S. Army, coached the University diving team, and he was a loving husband, father and grandfather. John died on July 14, 2018. We will miss his wit, wisdom and the holiness that guided every part of his life.

## MAGEE PROJECT

## STATISTICS TELL A SAD STORY

National Right to Life Committee (NRLC) released its 5<sup>th</sup> annual report on the state of abortion in the U.S. Highlights include:

- Based on data from the Guttmacher Institute and the U.S. Centers for Disease Control and Prevention, and projecting 2014 figures for subsequent years (2015-2017), **NRLC estimates 60,069,971 abortions have been performed in the U.S. since 1973.**
- Planned Parenthood, which reported nearly \$1.5 billion in revenue in 2017-2018, and posted nearly \$100 million in profit, **is estimated to have made nearly \$160 million performing 321,384 abortions—over one-third of all abortions annually.**
